## **GIS DAY 2012**

**Theme: Strengthening GIS Community Partnerships & Networks**

GIS (Geographic Information Systems) Day is an annual event sponsored by ESRI, the United States Geological Survey, the National Geographic Society, the Association of American Geographers, the University Consortium for Geographic Information Science, the Library of Congress, and Sun Microsystems. This event allows Eastern Michigan University to showcase their projects and services to a variety of individuals, schools, and other organizations. GIS Day activities at EMU are made possible through support from the Institute for the study of Children, Families, and Communities (ISCFC) \* College of Education \* EMU Library \* College of Arts & Sciences \* Institute for Geospatial Research & Education (IGRE) \* ESRI
